

DSD Fellowship Certified Programme 3 Days Course

Dates: 10th to 12th September, 2019
Venue: Ahmedabad,
Gujarat

DSD Fellowship Certified Programme 3 Days Course

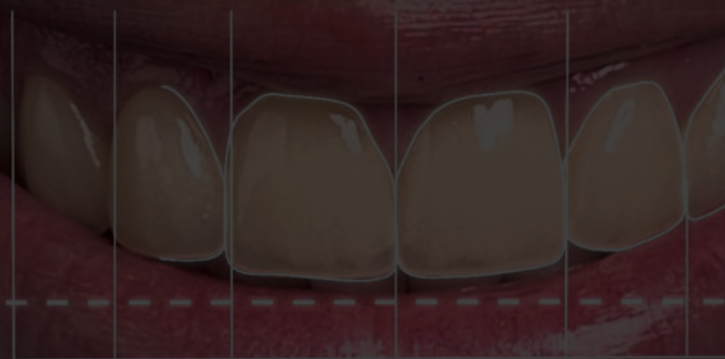

Learning objectives

The main objectives of this event are to show clinicians and their team how to :

- * become better smile designers, because smile design is the primary principle of any modern treatment plan
- * Implement a realistic team communication protocol, because communication is the key to genuine functional interdisciplinary dentistry
- * Interact with the patients to enhance the value of their treatment and increase case acceptance through the new concept of emotional dentistry
- * Link the beautiful smile design process to the actual treatment using a simple and effective digital workflow that connects the 2D drawings of DSD to 3D software systems

- DSLR camera and flash

- Computer (Keynote/PowerPoint) - Mouse Mandatory.
